</table>
20 DAVID KORESH
There's one, two, three, four, five,
six, seven, eight, nine, ten, eleven,
twelve, thirteen, fourteen, fifteen, sixteen -- there are sixteen kids
here that still drink milk.

21 SHERIFF HARWELL
Well, do you think six gallons is
enough?

22 DAVID KORESH
Well, yeah, I mean, we, we figure --

23 SHERIFF HARWELL
All right, I'll. I'll see that you get
the six gallons of milk. If -- I'll
need to get them and work that
out. Now, I'm not going to be
able to sit here with you David
and work all the terms. What I
wanted to do to you -- I say with
you is to sit here and talk from
my heart to you and let you
know that we --

24 DAVID KORESH
Well, I appreciate it and we love
you all.

25 SHERIFF HARWELL
-- we're concerned about you all
and we, we care for you. We love
you and those babies I just -- it
just makes my heart swell up to
see those kids come out and
how well they've been taken care
of and, and all this.

26 DAVID KORESH
And, and --

27 SHERIFF HARWELL
And they're being taken care of
now. How, I can't answer -- I
wasn't involved in how they were
going to be -- I know they're in
good care now but I wasn't
involved and wasn't aware that --

28 DAVID KORESH
Right.

29 SHERIFF HARWELL
-- they were supposed to be
turned over to parents and
grandparents or what that
process was. I've been involved
in other things, David, trying to
keep --

30 DAVID KORESH
Yeah, I understand.

31 SHERIFF HARWELL
-- some level head about all this
so that we can resolve this thing.
You don't know how deeply I
mean it when I say I want you all
out without your being hurt.
