Part II of the exam consists of two (i.e., 2) essay questions, Question 1 worth 30-35% and Question 2 worth 40-45% of your final exam score. Answer both questions. Recommended times: 30 minutes (10:00 to 10:30 a.m.) to read both questions and perhaps write a simple outline of your answer(s); 35 minutes (10:30 to 11:05) to answer Question 1; 1 hour 5 minutes (11:05 to 12:10) to answer Question 2. This leaves 20 minutes (12:10 to 12:30 p.m.) for you to use as you see fit. I recommend reading the entire examination before beginning outlining.

Be sure to complete the specific tasks assigned in a problem. If you believe that your answer depends on any facts/legal information not provided in the question, specify the facts or legal matters clearly and explain how they would affect your answers.

Part II is an open book, open notes examination. You may bring into the examination room and consult during the examination any written or printed matter that you wish. You will, however, not be credited for citing cases not included in the assignments or discussed in class; the Chemerinsky treatise is not to be cited as authority.

Write your answers to Question 1 and Question 2 in separate bluebooks or print them separately. (You may use more than one bluebook per question; label each bluebook with its sequence in your answer and the number of the question, e.g., “Question 1, 2 of 3 books” and “Question 2, 1 of 2 books.”) Write or print only on one side of each page and every other line. (If your writing/printing is difficult to read, you may wish to write on every third line.) Please, please, write legibly!

YOU MUST STOP WRITING WHEN INSTRUCTED TO DO SO BY THE PROCTOR. FAILURE TO DO SO WILL BE CONSIDERED A BREACH OF ACADEMIC DUTY AND WILL BE REPORTED TO THE DEAN’S OFFICE BY THE PROCTOR.
